

# My house

Lecturer - Trofimova Tatyana

- I live in a house. When you enter the house you see a big living room. There is a sofa and a round table in the middle of the living room. There is a big TV-set on the wall. My living room is light as there are 4 big windows

- There is a kitchen to the right and stairs to the upper floor. The kitchen is big, and the whole family can get together for dinner there. My parents also like to invite their friends for dinner.

- My room is upstairs. It's big, with high ceilings. There is not much furniture there, only my bed, my wardrobe and a couple of shelves.

- There is a yard around the house. My granny likes to grow flowers there. My dad made a small sports ground with a horizontal bar and a punch bag. There is a swing opposite the sports ground. There is a garage for our car and my dad's tools. We also keep our bikes there.

# Test yourself
